## About HorsePower

---

**Offering relational HELP to youth at risk by developing essential life coping skills in an equine facilitated ranch environment since 2001.**

**STUDENTS** | Students are either institutionalized or in a foster/adopt situation. They are ages 6 to 18 with 40% being teenagers. We serve up to 6 Students per Class; Up to 4 Classes per session; 4 Sessions per Year.

**VOLUNTEERS** | Over 120 unique, active volunteers and supporters, 34% have been serving for over 6 years. Each class requires up to 12 volunteers serving as Instructors, Mentors, and HorseHandlers.

**DONATIONS AND FUNDRAISING EFFORTS** | Provide Scholarships for students so all are able to participate. Cover program expenses like training manuals, student journals, program insurance, continuing education for instructors; Assist with Equine Care Expenses including feed, vet & farrier care, board, etc.
